Subject: Atmos on Lewisburg Avenue
Attachments: Lewisburg Ave Replacement - Resident Construction Notice.pdf; Lewisburg Ave Replacement Map.pdf

Hello Downtown residents!

I know that I have sent out an email previously to discuss Atmos and their work that they will be doing on Lewisburg Avenue but wanted to send out the attached notice from Atmos and a map showing where they will be installing new natural gas mains. If you have any questions specifically about their construction, please contact Teri LaBella at the number and email address on the notice.

Thank you,

Patricia McNeese, P.E.

CONSTRUCTION NOTICE

7/25/2024

Hello Neighbor:

As your natural gas provider, Atmos Energy continuously seeks new ways to improve customer service and maintain a safe, reliable natural gas system in your area. Over the next several weeks an Atmos Energy contractor will be locating and replacing natural gas lines along Lewisburg Avenue between Church Street and Stewart Street. To minimize disruption to traffic flow along Lewisburg Avenue, we will be performing gas installation work at night. We apologize in advance for any inconvenience this may cause. An Atmos Energy Representative will be on the project site periodically and can answer any questions that you may have. If you have any questions in the meantime, you can use the contact methods listed below.

WHAT YOU CAN EXPECT:

- Work is expected during the hours of 7pm – 5am Sunday – Thursday starting the week of August 5th.
- You may notice vehicles and personnel from our contractor – Team Construction.
- Periodically, you may have to navigate around our construction crews and equipment.
- We may need to excavate in your yard/asphalt, but we will repair our damage.
- You may also encounter some noise, but we will try to keep that to a minimum.
- You may experience short term service disruption which will be coordinated in advance if applicable.

IF YOU ARE NOT AN ATMOS ENERGY CUSTOMER, BUT WOULD LIKE INFORMATION ON GAS SERVICE:

- Please contact our customer contact center at 888-286-6700 and a Sales Representative will contact you.

Sincerely,

Teri LaBella

Teri LaBella
