ITEM #16
WRKS 08/10/2010

MEMORANDUM

July 30, 2010

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator 
Vernon Gerth, ACA - Community and Economic Development

SUBJECT: Codifying Fees: Title 16 – Streets and Sidewalks, Etc.

Purpose

This ordinance amendment is part of our ongoing work to codify all the fees and penalties located within the City of Franklin Municipal Code into Title 22 - Comprehensive Fees and Penalties. Title 16 – Streets and Sidewalks, Etc. is presented for consideration by the Board of Mayor and Aldermen (BOMA).

Background

Serving our residents is a top priority and communicating accurate information in a timely manner is essential to achieving a quality and appreciated service. With twenty-two titles in the city's Municipal Code, it is often difficult for customers and staff to identify applicable fees and penalties. A typical scenario may require a customer to visit more than one department to obtain information that should be readily available from any employee or on the City's website. Codifying fees and penalties to a single location will improve our services.

Financial Impact

The codifying effort should result in increased clarity and accuracy in the collection of various fees and penalties.

Recommendation

A motion to approve is recommended.
