ITEM #21
WRKS 09/14/2010

MEMORANDUM

September 14, 2010

TO: City of Franklin Board of Mayor and Alderman

FROM: Eric Stuckey, City Administrator 
Vernon Gerth, ACA-Community and Economic Development
Kathleen Sauseda, Interim Housing Development Coordinator

SUBJECT: Ordinance 2010-64 creating the Affordable/Workforce Housing Advisory Commission

Purpose

The purpose of this memorandum is to provide information to the Board of Mayor and Aldermen (BOMA) in consideration of an ordinance amendment to create an Affordable/Workforce Housing Advisory Commission.

Background

The Affordable/Workforce Housing Advisory Committee was originally appointed as a task force committee charged with identifying and implementing affordable/workforce housing in the City of Franklin. The Task Force, which consists of business partners from the community, residents, and representatives from the local non-profit agencies has carried out many of the items on the priority list and will continue to recommend programs and actions designed to execute the annual Consolidated Plan. As the City of Franklin maintains status as an "Entitlement City", we continue to be awarded funds through the Community Development Block Grants Program. On average, the City receives \$273,000 per year to support our community development activities that benefit low- to moderate-income families.

With the complexity associated with affordable and workforce housing collaboration, community education, and advocacy remain a priority as new initiatives are identified and pursued. The existing Committee members and staff believe it is time to formalize the Commission. The newly formed Commission will be inclusive and structured to provide the leadership needed to remain focused on its purpose and specific issues.

Financial Impact

There are no additional financial implications expected at this time.

Recommendation

The Affordable/Workforce Housing Advisory Committee and staff recommend approval of the proposed ordinance formally establishing and recognizing the Affordable/Workforce Housing Advisory Commission.
