SUBJECT: Resolution 2010-86 – Extension of Temporary Assignments

Purpose

The purpose of this memorandum is to request consideration of Resolution 2010-86 that extends the temporary assignments of Housing Development Coordinator Clay Matthews, Planning Associate Kathleen Sauseda, and Permit Tech Pat Springer through the remainder of this fiscal year which ends June 30, 2010.

Background

Since 2008 the City has experienced declining tax revenues and subsequently has selectively delayed filling vacated positions. Approximately six (6) months ago the City commenced work on implementing a comprehensive utility billing and accounting solution that requires extensive planning, oversight, and involvement from multiple employees. Assistant City Recorder Steve Sims was asked to effectively implement this utility billing solution. Housing Development Coordinator Clay Matthews and Planning Associate Kathleen Sauseda have willingly accepted temporary assignments and responsibilities that allow the City to provide continuity of existing services and implement the enhanced utility billing solution. In addition, Permit Tech Pat Springer accepted and served in the role of sign design standard administrator. If the Board of Mayor and Alderman approve Resolution 2010-86, the temporary assignments are expected to cease no later than June 30, 2011 that coincides with end of this fiscal year.

Financial Impact

No significant financial impact is expected. Currently, Housing Development Coordinator Clay Matthews, Planning Associate Kathleen Sauseda, and Permit Tech Pat Springer receive compensation to reflect their temporary assignments and related responsibilities and, will continue to do so through the duration of their assignment.

Recommendation

Staff recommends approval of Resolution 2010-86 and the continuation of the temporary assignments through June 30, 2011 or sooner as determined by the City Administrator.
