MEMORANDUM

May 10, 2011

TO: Board of Mayor and Aldermen

FROM: Eric Stuckey, City Administrator *Ei*
Lisa Clayton, Parks Director
Kristen L. Corn, Staff Attorney
David Parker, City Engineer/CIP Executive
Catherine Powers, Planning Director

SUBJECT: Certificate of Correction for Survey of City Property at Eastern Flank Battlefield Park

Purpose

The purpose of this memorandum is to present to the Board of Mayor and Aldermen (BOMA) for consideration a Certificate of Correction for a Survey done on City property at the Eastern Flank Battlefield Park.

Background

In February 2011, the Board of Zoning Appeals (BZA) received a request for a variance for Lot 4 of The Links subdivision, adjacent to Eastern Flank Battlefield Park. During staff's preparation of the packet for this agenda item, it was discovered that there was a discrepancy between the City's GIS parcel data and a boundary survey submitted as part of the BZA application. Between the two surveys, there existed a slight boundary overlap between Lot 4 of The Links subdivision and the City of Franklin property at the Park.

As a result of this discrepancy, the surveyor for Lot 4 of the Links subdivision contacted the surveyor that performed the City's survey for the Eastern Flank Battlefield Park and after further review, submitted the attached Certificate of Correction. This will correct the discrepancy and remove the property boundary overlap and will result in a decrease of approximately fifty (50) square feet on the City's property as shown on the recorded plat.

Financial Impact

There is no fiscal impact for this item.

Recommendation

Acceptance of the Certificate of Correction as presented is recommended.
