MEMORANDUM

April 29, 2011

TO: Board of Mayor and Aldermen

FROM: Eric S. Stuckey, City Administrator *ES*
Russell Truell, Assistant City Administrator / CFO
Lisa Clayton, Parks Director
Brian Wilcox, Purchasing Manager

SUBJECT: Consideration of bid award to A&A Sheet Metal Products, Inc. of La Porte, Indiana in the total amount of \$18,204.00 per unit for two (2) chemical storage lockers for the Parks Department (Purchasing Office Procurement Solicitation No. 2011-031; \$20,000.00 budgeted in 110-89230-44700 for fiscal year 2011)

Purpose

The purpose of this procurement is to purchase a quantity of two (2) chemical storage lockers for the Parks Department. This equipment would be used to store hazardous supplies and products used by the Parks Department in compliance with best practices for safe storage of such products.

Background

The City published on April 14, 2011 a Notice to Bidders in the *Williamson Herald* for supply and delivery of a minimum of two (2) chemical storage lockers. In addition, bid documents were sent on or about the same date directly to six (6) potential bidders known or thought to be interested in this solicitation. Bids from two (2) vendors were publicly opened at the bid opening held on April 28, 2011. A tabulation of the bids received for this solicitation is attached. The apparent lowest, most responsive and responsible bid, from A&A Sheet Metal Products, Inc. of La Porte, Indiana, is in the total amount of \$18,204 per unit including the specified options. This bid was identified because it is the lowest bid that meets or exceeds the City's intention as expressed and implied by the City's specifications as well as the instructions, terms and conditions pertaining to this procurement solicitation.

Financial Impact

The Parks Department budget for fiscal year 2011 allocates \$20,000 out of the General Fund for the purchase of chemical storage. Sufficient funds are available within the Parks Department's existing budget to fund the purchase of the two chemical storage lockers totaling \$36,408.

Options

In accordance with the bid documents, the City reserves the right to reject any and all bids.

Recommendation

Staff recommends that the City accept the apparent lowest best bid, from A&A Sheet Metal Products, Inc. of La Porte, Indiana, in the total amount of \$18,204.00 per unit including the specified options. The Parks Department proposes to purchase two (2) units at this unit price, so the total value of the purchase would be \$36,408. Purchasing Manager Brian Wilcox is of the opinion that the prepared specifications as distributed allowed for competition among multiple vendors, and that the staff recommendation appears to be made in a fair and impartial manner based upon the bids received.

Tabulation of Bids*
