MEMORANDUM

June 20, 2011

TO: Board of Mayor and Alderman

FROM: Eric Stuckey, City Administrator 
Lisa R. Clayton, Parks Director
Catherine Powers, Planning & Sustainability Director
Brad Wilson, Facilities Manager
Amanda Hall, Historic Preservation Planner
Vernon Gerth, ACA Community and Economic Development

SUBJECT: Tennessee Historical Commission Grant

Purpose

The purpose of this memorandum is to request approval from the Board of Mayor and Aldermen (BOMA) to enter into a Grant Contract, between the State of Tennessee Historical Commission and the City of Franklin for the provision of architectural services for the rehabilitation and restoration of the main barn at Harlinsdale Farm Park.

Background

The historical main barn on the grounds in the Park at Harlinsdale Farm is in need of rehabilitation and restoration due to the dilapidation of its current condition. During the flood of 2010, the main barn experienced flood waters in the flooring of the structure and received damage due to the rain and high winds. City personnel are recommending entering into a Professional Service Agreement for design of the renovations with an architectural firm. Each year, however, the Tennessee Historical Commission has a grant process in place for historical projects. The rehabilitation and restoration of the main barn aligned with the process, and the city received \$25,000 toward the design of phase I and II of the professional service agreement.

The proposed preservation covenant has been revised to address and encompass the scope of work pertaining to the main barn only.

Financial Impact

The financial impact of the design is \$46,000. The TN Historical Commission grant would be a total of \$25,000 toward the restoration and rehabilitation design portion.

Recommendation

Acceptance of the grant with the revised covenant is recommended.

Preservation Covenant
for
Harlinsdale Farm
Franklin, Tennessee

This covenant is made the _____ day of _____, 2011, by the City of Franklin (hereafter referred to as the "Owner") and in favor of the State of Tennessee acting through the State Historic Preservation Officer (hereafter referred to as the "Grantee") for the purpose of the preservation of a certain Property known as the Harlinsdale Farm, located in the Ninth Civil District, Williamson County, Franklin, Tennessee, which is owned in fee-simple by the Owner and is listed on the National Register of Historic Places. This agreement shall be recorded with the owner's deed to the subject property as a restrictive covenant and shall run with the land and be binding on the Owner, its successors and assigns.

The Property is comprised essentially of grounds, collateral, appurtenances, and improvements and is known as the Harlinsdale Farm. Included in these improvements is a barn structure commonly referred to as the Main Barn, which is depicted in Exhibit A attached hereto and made a part of this covenant. The Property's address is Harlinsdale Farm, Tennessee 37064 and is the same property conveyed to the City of Franklin, Tennessee by deed of record in Book 3390, page 181, Register's Office for Williamson County, Tennessee. There currently exists on the property a conservation easement dated August 6, 2007 and recorded in Record Book 4407, pages 453-471 in the Register's office for Williamson County, Tennessee. This instrument is not intended to override, amend or otherwise modify said conservation easement.

This covenant is executed as a condition of the eligibility of the Owner for financial assistance from the National Park Service of the United States Department of the Interior appropriated from the Historic Preservation Fund in accordance with the provisions of Section 102(a)(5) of the National Historic Preservation Act, as amended. In consideration of the sum of \$25,000.00 received in grant-in-aid assistance through the Grantee from the National Park Service, United States Department of the Interior, the Owner hereby agrees to the following for a period of five (5) years.

1. The Owner agrees to assume the cost of the continued maintenance and repair of the Main Barn so as to preserve the architectural, historical, or archeological integrity of the same in order to protect and enhance those qualities that made the Property eligible for listing in the National Register of Historic Places.
2. The Owner agrees that no visual or structural alterations will be made to the Main Barn without prior written permission of the Grantee.
3. The Owner agrees at all times to maintain the Main Barn in as good and sound state of repair as on the completion of the grant funded work and to maintain the subject Main Barn according to the *Standards of the Secretary of Interior for Treatment of Historic Properties* so as to prevent deterioration and preserve the architectural and historical integrity of the Property in ways that protect and enhance those qualities that make the Property eligible for listing in the National Register of Historic Places. The Owner agrees that the Grantee, its agents and designees shall have the right to inspect the Property at all reasonable times in order to ascertain whether or not the conditions of this agreement are being observed.
4. The Owner further agrees that when the Property is not open to the public on a continuing basis, and when the improvements assisted with Historic Preservation Fund grants are not visible from the public way, the Owner will provide public access to view the grant-assisted work or property no less than 12 days a year on an equitably spaced basis. The Owner will publish notification in newspapers of general circulation in the community area in which the Property is located giving dates and times when the Property will be open. Documentation of such notice will be furnished annually to the Tennessee Historical Commission during the term of the agreement. At the Owner's option, the property may also be open at other times by appointment, in addition to the scheduled 12 days a

year. Nothing in this agreement will prohibit a reasonable nondiscriminatory admission fee, comparable to fees charged at similar facilities in the area.

5. The Owner agrees to comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000 (d)), the Americans with Disabilities Act (42 U.S.C. 12204), and with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794). These laws prohibit discrimination on the basis of race, religion, national origin, or disability. In implementing public access, reasonable accommodation to qualified disabled persons shall be made in consultation with the Tennessee Historical Commission.
6. This covenant shall become effective when the Owner files it in the Office of the Recorder of Williamson County, Tennessee, with a copy of the recorded instrument provided to the Grantee. It is understood and agreed by the parties hereto that if any part, term, or provision of this agreement is held to be illegal by the courts, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the particular part, term, or provision held to be invalid.
7. This agreement shall be enforceable in specific performance by a court of competent jurisdiction.

All books of account and financial records shall be subject to annual audit by the Tennessee Comptroller of the Treasury or the Comptroller's duly appointed representative. When an audit is required, the Grantee may, with the prior approval of the Comptroller, engage a licensed independent public accountant to perform the audit. The audit contract between the Grantee and the licensed independent public accountant shall be on a contract form prescribed by the Tennessee Comptroller of the Treasury. Any such audit shall be performed in accordance with generally accepted government auditing standards, the provisions of OMB Circular A-133, if applicable, and the *Audit Manual for Governmental Units and Recipients of Grant Funds* published by the Tennessee Comptroller of the Treasury. In each instance where it is determined that use of a competitive procurement method is not practical, supporting documentation shall include a written justification, approved by the Commissioner of the Department of Environment and Conservation, for such decision and non-competitive procurement. Further and notwithstanding the foregoing, if such reimbursement is to be made with funds derived wholly or partially from federal sources, the determination of cost shall be governed by and reimbursement shall be subject to the Grantee's compliance with applicable federal procurement requirements.

The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.

- D.18. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.19. Independent Contractor. The parties hereto, in the performance of this Grant Contract, shall not act as employees, partners, joint venturers, or associates of one another. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.24. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.

This covenant is made the _____ day of _____, 2011, by the City of Franklin (hereafter referred to as the "Owner") and in favor of the State of Tennessee acting through the State Historic Preservation Officer (hereafter referred to as the "Grantee") for the purpose of the preservation of a certain property known as the Harlinsdale Farm, located in the Ninth Civil District, Williamson County, Franklin, Tennessee, which is owned in fee-simple by the Owner and is listed on the National Register of Historic Places. This agreement shall be recorded with the owners deed to the subject property as a restrictive covenant and shall run with the land and be binding on the Owner, its successors and assigns.

The Property is comprised essentially of grounds, collateral, appurtenances, and improvements and is known as the Harlinsdale Farm. The property's address is Harlinsdale Farm Tennessee 37064 and is the same property conveyed to the City of Franklin, Tennessee by deed of record in Book 3390, page 181, Register's Office for Williamson County, Tennessee.

This covenant is executed as a condition of the eligibility of the Owner for financial assistance from the National Park Service of the United States Department of the Interior appropriated from the Historic Preservation Fund in accordance with the provisions of Section 102(a)(5) of the National Historic Preservation Act as amended. In consideration of the sum of \$25,000.00 received in grant-in-aid assistance through the Grantee from the National Park Service, United States Department of the Interior, the Owner hereby agrees to the following for a period of five (5) years.

1. The Owner agrees to assume the cost of the continued maintenance and repair of said Property so as to preserve the architectural, historical, or archeological integrity of the same in order to protect and enhance those qualities that made the Property eligible for listing in the National Register of Historic Places.
2. The Owner agrees that no visual or structural alterations will be made to the property without prior written permission of the Grantee.
3. The Owner agrees at all times to maintain the Property in as good and sound state of repair as on the completion of the grant funded work and to maintain the subject Property, including other structures or features of the site, according to the *Standards of the Secretary of Interior for Treatment of Historic Properties* so as to prevent deterioration and preserve the architectural and historical integrity of the Property in ways that protect and enhance those qualities that make the Property eligible for listing in the National Register of Historic Places. The Owner agrees that the Grantee, its agents and designees shall have the right to inspect the property at all reasonable times in order to ascertain whether or not the conditions of this agreement are being observed.
4. The Owner further agrees that when the Property is not open to the public on a continuing basis, and when the improvements assisted with Historic Preservation Fund grants are not visible from the public way, the Owner will provide public access to view the grant-assisted work or property no less than 12 days a year on an equitably spaced basis. The Owner will publish notification in newspapers of general circulation in the community area in which the Property is located giving dates and times when the Property will be open. Documentation of such notice will be furnished annually to the Tennessee Historical Commission during the term of the agreement. At the Owner's option, the property may also be open at other times by appointment, in addition to the scheduled 12 days a

year. Nothing in this agreement will prohibit a reasonable nondiscriminatory admission fee, comparable to fees charged at similar facilities in the area.

5. The Owner agrees to comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000 (d)), the Americans with Disabilities Act (42 U.S.C. 12204), and with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794). These laws prohibit discrimination on the basis of race, religion, national origin, or disability. In implementing public access, reasonable accommodation to qualified disabled persons shall be made in consultation with the Tennessee Historical Commission.
6. This covenant shall become effective when the Owner files it in the Office of the Recorder of Williamson County, Tennessee, with a copy of the recorded instrument provided to the Grantee. It is understood and agreed by the parties hereto that if any part, term, or provision of this agreement is held to be illegal by the courts, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the particular part, term, or provision held to be invalid.
