## **Purchasing Policy**

for City of Franklin procurements not pertaining to new construction

### **A. General Provisions**

This City of Franklin (“City”) Purchasing Policy shall apply to the purchase of materials, supplies, vehicles and equipment, the purchase of services other than those pertaining to the design and/or construction of new infrastructure and facilities, and to secure leases and lease-purchases and to dispose of and transfer surplus personal property for the proper conduct of the City’s business.

All contracts, leases and lease-purchase agreements are subject to the approval of the Board of Mayor and Aldermen, unless otherwise provided by resolution or ordinance. Any contracts, leases and lease-purchase agreements extending beyond the end of the current fiscal year shall be so noted prior to consideration by the Board of Mayor and Aldermen.

This Purchasing Policy is intended to promote the public interest by procuring products and services from either the lowest responsible and responsive bidder or from the responsible and responsive proposer whose proposal is most advantageous to the City, and by providing vendors with a fair forum for competing for City contracts.

### **B. Responsibilities of Departments**

The following are the responsibility of each Department:

1. Departments shall be responsible for purchases and projects valued less than \$25,000. (In the context of this Policy, whenever any dollar thresholds are referenced, the estimated total value of the purchase or project, including all components related thereto, either over the course of the term of the award or, in the absence of a term of award, over the course of the next twelve (12) months, shall be considered.)
2. Departments shall use pricing established pursuant to citywide or statewide contracts if and as available. The use of pricing established by cooperative purchasing arrangements approved by the City Administrator for use by the City, as well as pricing established by other Tennessee local governments pursuant to a competitive process involving “public advertisement” (hereby defined to mean the same as that term is used in T.C.A. §6-56-301 *et seq.*, the Tennessee Municipal Purchasing Law of 1983, as it may be amended from time to time) and sealed submittals, are also allowed and may be used in lieu of competitive pricing established by the City of Franklin.
3. Departments shall advise the Purchasing Office and the Finance Department as to the method of payment that best meets the needs of the City, but payment by electronic means (either direct deposit – such as “ACH” or “Electronic Funds Transfer” – or purchasing card) shall be the default method of payment.
4. Before placing an order for any non-emergency purchase valued at or greater than \$10,000, departments shall prepare and submit a requisition, on the form prescribed by the Purchasing Office, and await approval thereof. For orders for emergency purchases valued at or greater than \$10,000, the requisition may be completed within ten (10) calendar days after placing the order (and see “Emergency Purchases” below).

## **Purchasing Policy**

5. Purchases valued less than \$25,000 but not less than \$10,000 shall not be made unless and until, wherever possible, the Department shall have obtained and forwarded to the Purchasing Manager competitive pricing quotations from at least three (3) vendors, said quotations to be either supplied in writing by the vendor or reduced to writing by the Department, accompanied by a tabulation of the comparative aspects of the quotations obtained, a recommendation as to which quotation should be accepted and a requisition for the recommended quotation.
6. All foreseeable purchases, including those valued less than \$10,000, should not be made unless and until the Department Head or his or her authorized representative is satisfied that the value of the purchase is fairly priced and not more than what would be expected in the current market place. At the discretion of the Department Head or his or her authorized representative, for foreseeable purchases valued less than \$10,000, the Department should, whenever it is prudent to do so, obtain multiple competitive pricing quotations, said quotations to be either supplied in writing by the vendor or reduced to writing by the Department.
7. As soon as possible but within ten (10) calendar days of receipt of items ordered, Departments shall be responsible for verifying that the items conform to the order. The process for taking delivery of items is as follows:
  - a. Inspect the goods to verify that they are in acceptable condition.
  - b. Verify that all operating manuals and warranty cards are included in the delivery of the goods, if applicable.
  - c. Verify that the number of items ordered have been delivered, making special note when all or part of a particular order has been back-ordered.
  - d. Ensure that purchases of capital assets of the City have been properly reported, either directly or indirectly, to the Finance Department and the City's Risk Manager and, if rolling stock, Fleet Maintenance, on forms prescribed by those respective offices, so that records of such purchases may be updated, insurance coverage may be obtained, and vehicle tags may be obtained, all in a timely manner.
8. Departments shall be responsible for reviewing, approving and allocating to the proper budget code all invoices submitted for payment.
9. It shall be the responsibility of each Department to allow time for competitive solicitation, ordering and delivery pursuant to this Purchasing Policy.
10. No employee shall make any indication that he/she will recommend a particular product for purchase, knowingly bind the City to a specific vendor, or make any representation as to his or her authority to bind the City by contract when such is not the case.

### **C. Responsibilities of Purchasing Manager**

The following are the responsibility of the Purchasing Manager:

1. The Purchasing Manager shall assist all Departments in purchasing operating materials, supplies, vehicles, equipment and services to which this Purchasing Policy applies.
2. The Purchasing Manager shall be responsible for facilitating the competitive process by which all purchases to which this Purchasing Policy applies and valued at or greater than \$25,000 are made.
3. The Purchasing Manager shall advocate the purchase of required products and services only from either the lowest responsible and responsive bidder or from the responsible and responsive proposer whose proposal is most advantageous to the City.

10. The Purchasing Manager shall prepare all legal notices for competitive solicitations and shall also place additional notice of bid in appropriate publications and place on the City Website as necessary to assure ample opportunity for vendors to bid.
11. The Purchasing Manager shall on an ongoing basis pursue consolidating the purchase of as many products and services as economically possible in order to reduce costs and/or improve services provided to the City.
12. The Purchasing Manager shall investigate complaints from Departments of poor performance by vendors, or complaints about inferior products, and shall, in consultation with the City's Law Department, choose which, if any, remedies are available to the City to pursue.
13. The Purchasing Manager shall be responsible for disposing of the City's surplus personal property of any value by means of a competitive process and in compliance with City ordinance, except in cases involving data security or other mitigating circumstances. The Purchasing Manager shall develop the appropriate documentation for the Finance Department in accordance with the City Code.
14. The Purchasing Manager shall be responsible for administering and overseeing the City's Purchasing Card program.
15. The Purchasing Manager shall be responsible for following this Purchasing Policy and the Municipal Purchasing Law of 1983, as amended, including keeping and filing required records and reports, as if they were set out herein and made a part hereof and within definitions of words and phrases from the law as herein defined.

### **G. City Officer and Employee Communication with Vendors**

Between the time a procurement solicitation for sealed submittals is issued by the City and the time an award is made, members of the Board of Mayor and Aldermen as well as employees of the City shall refrain from any form of communication with one or more vendors that may be competing for the award about any aspect of the procurement other than either in the context of a public meeting or by way of the Purchasing Office. The foregoing is not meant to preclude a representative of the City from answering questions from vendors if the question is already addressed in the solicitation documents, if the City representative is certain of the correct answer and if the Purchasing Office is informed of the communication. Otherwise, any inquiries from one or more vendors that may be competing for such an award shall be directed to the Purchasing Office which shall determine if an addendum to the solicitation should be prepared and issued to all vendors known or thought to be interested in the procurement opportunity. Vendors that may be competing for a procurement award shall be instructed that, until that award has been made, they shall not communicate about either the content of or the procurement process pertaining to this procurement solicitation with any official, employee or other representative of the City except through the City's Purchasing Office. 1. The award shall be made to the vendor who bid or quoted the soonest delivery of the product or completion of the service of all the vendors submitting the tie bids or tie quotes.
2. The award shall be made to the vendor who offered the pricing for the longest period of time for potential future orders of all the vendors submitting the tie bids or tie quotes.
3. If one or more of the vendors submitting the tie bids or tie quotes competed for the City's business the last time the City solicited bids or quotes for the same product or service, then the award shall be made to the vendor who offered the lowest pricing at that time of all the vendors submitting the tie bids or tie quotes.
4. If one or more of the vendors submitting the tie bid or tie quote have done business with the City within the most recent 24 months, then the award shall be made to the vendor who has done the most business with the City (measured in dollars) in that time frame of all the vendors submitting the tie bids or tie quotes.

### **L. Sole-Source Purchases**

In the context of this Policy, whenever any dollar thresholds are referenced, the estimated total value of the purchase or project, including all components related thereto, either over the course of the term of the award or, in the absence of a term of award, over the course of the next twelve (12) months, shall be considered. Sole-source purchases valued at less than \$10,000 may be authorized by the end-user department. Sole-source purchases valued at less than \$25,000 but not less than \$10,000 may be authorized by the Purchasing Manager upon being satisfied that it is not possible to obtain competitive pricing quotations from at least three (3) vendors. Except as noted below, sole-source purchases valued at or greater than \$25,000 may not be made unless and until individually authorized by the Board of Mayor and Aldermen. Authorized sole-source purchases do not require sealed bids or proposals pursuant to public advertising. The criteria for evaluating sole-source purchases valued at or greater than \$10,000 are presented in Appendix B to this Purchasing Policy. Sole-source purchases valued at or greater than \$25,000 that do not require individual authorization by (but which shall still be reported to) the Board of Mayor and Aldermen include:

- a. Repairs to, maintenance of, licenses for and/or maintenance agreements for products already in use by the City, so long as the product manufacturer representative has stated in writing that the vendor is the sole source available to the City of Franklin, and so long as the vendor has stated in writing that the quoted pricing is the lowest municipal unit pricing available at that time and in the foreseeable future for the quantity indicated. Examples: engine repairs made by the manufacturer or the manufacturer's representative for a vehicle; license and maintenance agreements for computer software.
- b. Purchases of items necessary to maintain, expand or improve a manufacturer-specific system already in use by the City and that requires interconnectivity of and/or communication between the component parts, so long as the product manufacturer representative has stated in writing that the vendor is the sole source available to the City of Franklin, and so long as the vendor has stated in writing that the quoted pricing is the lowest municipal unit pricing available at that time and in the foreseeable future for the quantity indicated. This includes (a) making sure that each transaction is electronically processed in full and on time; (b) keeping and submitting on time detailed invoices or itemized payment receipts that substantiate each and every charge attributed to the purchasing card issued to the cardholder; (c) assisting the City upon request with reconciling the City's billing cycle statements; and (d) taking reasonable precautions to secure the purchasing card against loss and/or theft.
