Subject: Affordable/Workforce Housing Advisory Commission Name and Membership Changes – Ordinance Amendment 2011-24

Purpose

The purpose of this ordinance amendment is three-fold:

1. to change the name of the Affordable/Workforce Housing Advisory Commission to Housing Commission;
2. correct the names of three organizations represented on the Commission; and
3. to remove three of the organizations who have chosen not to have reserved representation on the Commission. The three vacated member positions will be added to the existing number of at-large members.

Background

In 2008, the Board of Mayor and Alderman established an Affordable/Workforce Housing Advisory Task Force charged with identifying and implementing affordable/workforce housing strategies in our community. In the fall 2010 the Board of Mayor and Alderman approved Ordinance 2010-64 that recognized the value of the Task Force's work by establishing it as a standing City Commission. The Commission has appointed members, terms, and by-laws that serve as a guide as they carry on the work started by the Task Force. The new Commission has met for several months and now find themselves in the midst of developing a work plan and informational presentations necessary to sustain community awareness while serving as an informed resource to the Board of Mayor and Alderman for this important community issue.

Financial Impact

There is no financial impact as a result of these minor changes.

Recommendation

The Affordable/Work force Housing Advisory Commission and staff recommend approval of the changes.
