SUBJECT: Ordinance 2011-30

Budget Amendments for Fiscal Year 2011 Budget

Purpose

The purpose of this item is to consider an amendment to the Fiscal Year 2010-2011 Budget to adjust for fourth quarter changes.

Background

Adhering to our procedure of bringing budget amendments to the Board on a quarterly basis, Ordinance 2011-30 is presented to account for various yearend adjustments to the budget.

The first item is the transfer of Williamson County Facilities Tax collections, in the amount of \$481,504, from the General Fund to the Capital Projects Fund. Transfer of these funds was authorized by the Board, Resolution 2010-89, December 14, 2010.

Other items include:

- Additional revenue receipts and additional expenditures (such as fuel)
- General and Solid Waste fund amendments include the City Administrator reallocating department expenditures with a net zero effect (reallocation would be reported under administrative actions to the Board)
- A net zero effect in the General, Street Aid, Solid Waste, Hotel/Motel, Transit, CDBG, and Debt Service funds
- A reduction of fund balances in Stormwater of \$230,000, and Capital Improvements of \$2,793,496

Financial Impact

There is no financial impact, as the increases in expenditure are offset by increased revenues.

Recommendation

Staff recommends approval of the amendments as presented.
