## MEMORANDUM

---

October 5, 2011

TO: Board of Mayor and Aldermen

FROM: Eric J. Gardner, P.E., Director of Engineering  
Eric S. Stuckey, City Administrator

SUBJECT: Water Availability Request for 296 Hillsboro Road

### **Purpose**

The purpose of this memorandum is to forward to the Board of Mayor and Aldermen (BOMA) a request for water availability for 1122 Warrior Drive.

### **Background**

A request for water availability for 1122 Warrior Drive known as Tax Map 106, Parcel 164.01 was submitted on October 3, 2011. The request is for 1 SFUE through a 3/4" domestic water meter. The property owner is proposing constructing one single family home on this property. This property is located outside the city limits in the Leeland Subdivision.

The City has an existing 6" water line on Warrior Drive that can be accessed to serve this property.

### **Financial Impact**

None.

### **Recommendation**

Staff recommends that the availability request be approved. The approval would be for 1 SFUE for water. It would be approved contingent upon the proposed development meeting the requirements as established March 10, 1992, for extensions of facilities inside the City's Boundaries, the payment of all required fees, and any required extension to the City's water and/or sanitary sewer system to serve the site as per the City's standards with associated required public water and/or sanitary sewer line easements.
