

STATISTICAL SECTION

**CITY OF FRANKLIN, TENNESSEE
STATISTICAL SECTION SUMMARY PAGE**

This part of the City of Franklin, Tennessee's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, the note disclosures, and the required supplementary information says about the City's overall financial health.

Contents:

Financial Trends

These schedules contain trend information to help readers understand how the City's financial performance and financial position have changed over time. 88

Revenue Capacity

These schedules contain information to help readers assess the City's revenue sources, including its most significant local tax sources, local sales tax and its property tax. 94

Debt Capacity

These schedules present information to help readers assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future. 99

Demographic and Economic Information

These schedules offer demographic and economic indicators to help readers understand the environment within which the City's financial activities take place. 104

Operating Information

These schedules contain service and infrastructure data to help readers understand how the information in the City's financial report relates to the services the City provides and the activities it performs. 106

Except where noted, the information in these schedules is derived from the City of Franklin, Tennessee's, comprehensive annual financial reports for the relevant years. The City implemented GASB Statement 34 in 2003: Schedules presenting government-wide information include information beginning that year.
