SUBJECT: Consideration of bid award to Chevrolet of Murfreesboro in the total amount of \$30,754.00 for one (1) four-door sport utility vehicle for the Fire Department (Purchasing Office Procurement Solicitation No. 2012-016; \$30,800 budgeted in 110-89520-42200 for fiscal year 2012)

Purpose

The purpose of this procurement is to purchase a SUV that will replace a vehicle that is assigned to the Franklin Fire Department battalion chiefs. The replaced vehicle would be placed in reserve status, and the vehicle now in reserve status would be removed from service and disposed of as surplus property.

Background

The City published on December 15, 2011 a Notice to Bidders in the *Williamson Herald* for a minimum of one (1) four-door sport utility vehicle. In addition, bid documents were sent on or about the same date directly to eleven (11) potential bidders known or thought to be interested in this solicitation. Bids from four (4) vendors were publicly opened at the bid opening held on January 10, 2012. A tabulation of the bids received for this solicitation is attached.

Financial Impact

The apparent lowest, most responsive and responsible bid, from Chevrolet of Murfreesboro, is in the total amount of \$30,754.00, for a quantity of one (1) 2012 Chevrolet Tahoe CK10706. This bid was identified because it is the bid that most closely meets or exceeds the City's intention as expressed and implied by the City's specifications as well as the instructions, terms and conditions pertaining to this procurement solicitation. The Fire Department budget for fiscal year 2012 allocates \$30,800 out of the General Fund for the purchase of this vehicle. The Chevrolet of Murfreesboro bid amount is \$46 (0.15%) under budget.

Options

In accordance with the bid documents, the City reserves the right to reject any and all bids.

Recommendation

Staff recommends that the City accept the apparent lowest best bid, from Chevrolet of Murfreesboro, in the amount of \$30,754.00, for a quantity of one (1) 2012 Chevrolet Tahoe CK10706. Purchasing Manager Brian Wilcox is of the opinion that the prepared specifications as distributed allowed for competition among multiple vendors, and that the staff recommendation appears to be made in a fair and impartial manner based upon the bids received.
